ALMA MATER

Hail to thee! O Sons of Whitesboro,
We have a trust to keep;
The love of Whitesboro High School
And her high ideals to seek;
Loyalty is for the blue,
And the white means honor bright;
So we'll all stand true forever
To the Royal Blue and White.

Through the four long years of High School,
'Midst the scenes we love so well;
We have struggled on and upward
Till we've reached the goal ideal;
Whitesboro High, we'll ne'er forget you;
You have always loomed so bright,
And we'll all stand true forever
To the Royal Blue and White.

When we're launched on Life's great journey,
And we come to toil and care;
We will think of dear old Whitesboro
And the moral we've learned there;
We'll uphold her fine ideals,
And we'll represent the right—
Be right, be square, be true, be fair
To the Royal Blue and White.

DEDICATION

English teacher, class advisor, student counselor . . . these are some of the many capacities in which we know her. Her friendly interest in us, both as individuals and as a class, and her staunch support in our undertakings give her a very special place in our final school year. With her tinkling bell and dislike of spearmint gum, she is intimately connected with our senior class memories. Therefore, we, the senior class of 1944, dedicate this annual to Miss Sophie Berryman in affectionate appreciation for her friendship and guidance.

CLASS HISTORY

As we look back over our four years of high school, we come first to the fall of '39 when we entered these doors as frightened and excited freshmen. We were in high school now—so after not too many weeks had passed we elected Edward Pugh as our president, Calvin Teachout vice-president, Norbert Kula secretary and Harry Diamond treasurer. To help our funds along, we sponsored a Rollerdrome skating party. Then as a climax to a full year of fun and study we all had a good time at our Pine Lake picnic.

✓ ✓ ✓

IN the fall of 1941 we re-entered school as sophomores. Early in the semester we held our class elections, choosing the following officers: President, Janice Holdridge; vice-president, Edward Pugh; secretary, Jean Kirk, and treasurer, Merton Harrington. Our first social event of the year was a roller skating party held in the Utica Rollerdrome. Towards the end of the year we held a sophomore sport dance; Roger Newman's orchestra played.

✓ ✓ ✓

AFTER a carefree summer of fun and relaxation, we entered our third year of high school in September, 1942. We were in the midst of a war, which had taken many of our classmates, as well as some of our teachers into the service. To start the year off successfully we elected as class officers: Tom Murphy, president; June Spink, vice-president; Harry Diamond (now in U. S. Navy), secretary, and Don Caryl, treasurer. We had two roller skating parties in the new roller rink in Whitesboro, from which we raised money to help us on our

financial journey through our junior year. In spite of the fact that the war had curtailed many of our activities, we obtained our junior rings, even though they were late in arriving. To give students of Whitesboro a good time and to raise more money for an expensive year, we held a junior dance. As a climax to a full year of study and play, we held on Friday, May 19, 1943, the Junior Prom. Joyce Fraats and Dave Cary were elected co-chairmen. Our Prom was a big success with a park scene as theme and Andy Jason's orchestra. We ended our junior year looking forward to our last year of high school with mixed emotions of regret and joy.

✓ ✓ ✓

WE entered our final year of high school with eager anticipation. In our class elections in November, Donald Edgar was elected president; Harriet Emery, vice-president; June Beauseigle, treasurer; and George Barlow, secretary. Our senior plays, in addition to being outstanding dramatically, also supplemented our class treasury immensely. We, of the present senior class have the distinction of being the first class to go through the new Central School building from the seventh grade. Two of these years in school have been spent while the nation has been at war. During the period, many boys from our class have volunteered or have been drafted into the armed forces; others have taken their examinations preparatory to being drafted. It may be our class will be minus several of our boys before the end of this senior year. Such is war! However, the entire senior class is looking forward to a successful completion of their high school careers.

A REUNION OF THE CLASS OF '44 HELD IN 1954

A REUNION of the graduating class of 1944 of Whitesboro Central High School took place in the Dinglebee mansion on Main Street. Mrs. Dinglebee, the former Miss Gloria Batie, paused in her routine of acting in stage shows long enough to sponsor this grand occasion.

A delicious feast was spread before which grace was said by Naval Chaplain Myron Bellinger. Mr. Donald Edgar, the president of the class and now the president of the New York Telephone Company, was the guest speaker. Other speakers were Mr. Donald Caryl, president of the Undertakers' Union, and Mr. Norbert Kula, owner of the Black and Blue Taxicab Company. Several other noted guests were Mr. Merton Harrington, who distinguished himself by his valor as commander of a P. T. boat during the last war; the famous woman

doctor, Miss Joyce Fraats; Miss Doris Nelson, private secretary to the Supreme Court Justice, and Miss Joan Baird, a noted bio-chemist.

During the meal Miss Dorothy Brown, Mrs. W. Rapphan, the former Miss Vera Berigan, Miss Lucille Hayes and Miss Harriet Emery acquainted the listeners with the exciting adventures they had had while in the WAVES. Miss Joan Newman astonished the men with interesting tales of her life as an aviatrix.

All members of the class were present except Mr. David Cary, who is busy in Washington with plans for lasting peace, and Miss Janice Holdridge, who at this time is in Germany teaching the way of democracy to the children.
